

8-9 August 2024

Harbourside Function Centre, Wellington

**Sponsorship and Exhibitor Opportunities  
for  
Convention 2024**

# NEW Sponsorship Opportunities

At AMR, we appreciate the support of our long-standing sponsors. An area of consistent feedback is from other companies which want to take a more prominent role in our convention with requests for other types of sponsorship. We've heard you and structured this year's convention programme with some additional sponsorship opportunities.

Sponsorships are available on a first come, first served basis. We acknowledge all of our sponsors in the publicity leading up to the event including in Metal Matters magazine, on Facebook and LinkedIn, and in the President's report to members.

## Quiz Master Services

\$1,000 + GST

On the closing night of the convention, there will be a pub-style quiz to support networking and some healthy competition amongst our teams, which will be led by exhibiting companies. We're looking for a company to help sponsor the quiz.

## Prize Pack for the Winners

\$1,000 + GST

Quiz teams will be comprised of 8 people each. For the team that wins the quiz night, AMR will pre-purchase prizes. Your company can help us out with this sponsorship.

## Prize Pack for 2nd Place

\$800 + GST

The team with the second best score in the pub quiz will also receive prizes. Your company can help us out by sponsoring the team's prizes which AMR will pre-purchase and promote.

## Prize Pack for 3rd Place

\$600 + GST

Same as above, prizes for the members of the quiz team placing in third place.

# Other prize sponsorships

Lucky Seat prize sponsorship is another high profile way of promoting your business to delegates. We conduct the prize draw at the end of the Annual General Meeting. A Lucky Seat prize is something that is easy for a delegate to carry home in their luggage.

You have two (2) options for Lucky Seat prize sponsorship this year.

## **Option 1:**

AMR will purchase items in advance to enable us to promote them to delegates; product selection is our responsibility so we can manage transport logistics.

**\$100 + GST**

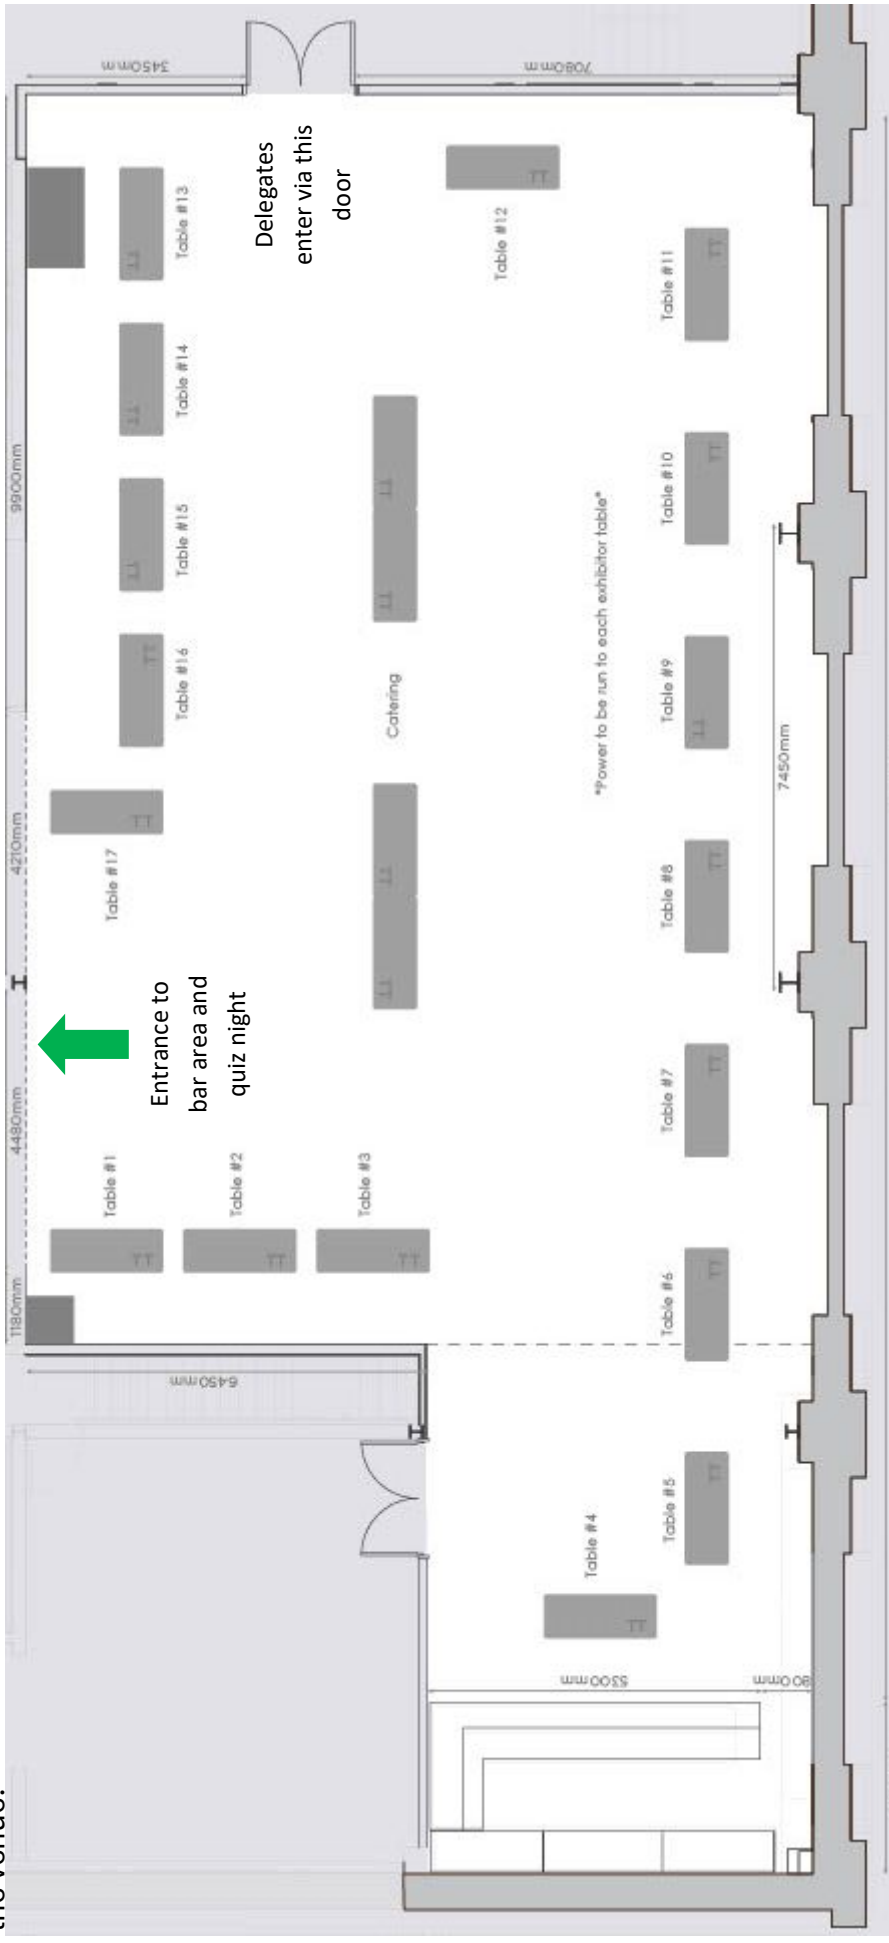

## **Option 2:**

As in previous years, your business chooses its own prize and delivers it to the Convention. If choosing option 2, a photo of your prize in advance is highly recommended so we can publicise it to delegates.

**Live Auction \*\*\*new this year\*\*\*** A subcommittee of the AMR Board is organising a live auction on opening night for high value prizes that are donated by sponsors. If you are interested in donating something special to this auction, please get in touch with the AMR office via email to: [gm@nzamr.org.nz](mailto:gm@nzamr.org.nz)

## Exhibitor layout for Te Aro Room at the Harbourside Function Centre, Wellington

There are 17 exhibitor spaces available, booked on a first come, first served basis. Each space consists of a standard sized trestle table (1.8 m/6 ft) and room for a pull-up banner. Each trestle table will have a table cloth cover, access to an electrical supply multi-board, and a chair for a company representative. Given our central city location, we cannot accommodate large pieces of equipment either inside or outside of the venue.

Member price: \$795 including GST Non-member price: \$1,065 including GST

The price includes participation of ONE company representative in workshops and networking events (tours additional). If additional company reps are required to attend, these will be charged as additional delegate registrations (\$780 for non-members; \$550 for members)
